ABEX BRAKE SHOES - BRAND INFORMATION INTRODUCTION

Abex, along with other brands and product lines of Cooper Industries, is acquired by global OE and aftermarket manufacturer Federal-Mogul Corporation. The purchase, which also includes the globally respected Wagner Brake brand for automotive applications, establishes Federal-Mogul as one of the world's largest manufacturers of vehicle friction products, both for OE customers and the replacement market.

Abex Brand Timeline & History - DRiV Heavy Duty Parts

Brakes. The Right Choice in Commercial-Grade Brake Products. Abex® manufactures medium and heavy-duty commercial-grade brake products, including high-endurance air and hydraulic disc brake pads, brake friction linings and complete lined brake shoe kits. Abex also offers reduced stopping distance (RSD) friction brake shoes that meet and/or exceed applicable federal safety standards.

Abex Commercial Vehicle Brakes | Federal-Mogul Motorparts

Abex Corporation was a friction products company that used asbestos in its products to make them resistant to heat and prevent fire. Asbestos is a mineral that is naturally resistant to heat and it was commonly added to friction products. Abex put asbestos into its brake shoes, brake pads and brake linings from 1926 through 1987.
