Android 21 Transformed. Though Android 21's good side is aware of the fact that her human template was the mother of Android 16's template which causes her to develop mother-like affection for him, she admits she has little to no memory of her former life as a human, though she enjoys thinking about what her template's name and life might have been like.

Download your Android APK file from a trusted source. Use your own discretion as to where you download these files from. I usually stick to places like APK Mirror, APK Pure, and XDA-Developers. Either tap the Open button after it has been downloaded from the web, or tap the file in a 3rd-party file manager app to open it.
