In the same vain as Might is Right, BAM is a ridiculously-present and subtly funny book meant for all young warriors on the Alt-Right. Society has suppressed young men's natural instinct to conquer and create space for themselves. Embracing the Bronze Age mindset allows us to reassert our natural place in the world as pirates and barbarians.

A specter is haunting the right-wing world—the specter of Bronze Age Pervert. His book, Bronze Age Mindset, has been a breakout hit among certain segments of the Very Online Right—prompting a response, first from Michael Anton in the Claremont Review of Books, and then from various authors in these pages. What is it in Bronze Age Mindset that has captured the interest, not only of anonymous “frogs” on Twitter, but of the right-wing intelligentsia?

Bronze Age Mindset is not book for our age. It is bridge, from forgotten past to inevitable future, reminder that our dark time is but fleeting transition, a lacuna of no consequence between the times of great beasts of the spirit, who have stalked the Earth before and shall make Earth their hunting ground again.

BRONZE AGE MINDSET - The Burning Platform

Bronze-Age Mindset is, in my opinion, actually on par with the great German philosopher himself — in style, in insight, in style of insight, and in nature: both Mycenean Greeks born out of time and place. BAP touches on all sorts of subjects relative to the modern age, but his central thesis can be summarized fairly simply.

Review: Bronze-Age Mindset - Caffeine & Philosophy

Bronze Age Mindset is a book-length digression on the ills of the modern world as contrasted with the glories of epochs past, delving into history, biology, current events, and conspiracy theories. In particular, the book explains why Bronze Age Pervert chose his name, as he explains that the Bronze Age was when humanity peaked:

A Review of Bronze Age Mindset by Bronze Age Pervert

Bronze Age Mindset brings together ancient history, memes, and gym culture into a book that is more influential than any modern work of conservative from the past decade. This very offensive book is available here.

Aesthetics are politics. - Mike Cernovich

Tax cuts, deregulation, trade giveaways, Russophobia, democracy wars, and open borders are not, to say the least, getting the kids riled up.” Anton reviews with great care a book by “Bronze Age Pervert” called Bronze Age Mindset. Although he does not agree with the book, Anton understands its appeal to dissatisfied young people.

The strongest and easiest objections to make to Bronze Age Mindset are that it is “racist,” “anti-Semitic,” “anti-democratic,” “misogynistic,” and “homophobic.” And indeed, BAP delights in generalizing. The fact that he generalizes in neutral or positive ways at least as much as in negative ones won't matter.

Are the Kids All(right)? - Claremont Review of Books

Bronze Age Mindset One thing Bronze Age Pervert talks about is he isn't trying to convince anyone in this book but rather to write to those who already have the power, blood, and spirit within them and awaken them. This book was not made to convince the bugmen to change but rather to encourage the barbarian to grab his sword and feel his power.
