the 2010s will need to create regional power balances, some of which have been disturbed. Friedman conceptualizes America's successful management of world affairs not by directly enforcing countries, but by creating competing relationships, which offset

o

The Next Decade (book) - Wikipedia

In fact, I'm not sure it's happened apart from George Friedman books. After the acclaim heaped on his book *The Next 100 Years* Friedman, felt compelled to write one that focused more on the short term. This is how he gives us *The Next Decade*. Again, I'm astonished by Friedman's ability to extract the signal from the noise.
