The Dark Side of Adoptions: Why Parents and Kids Don't Bond

In the nearly three decades since the release of The Dark Side of Adoption, nothing I suggested has been done and the number of adopted child victims of abuse of all kinds continues to climb. Adopted children are burnt, beaten, left outside in the cold barefoot and barely dressed, starved, caged, made to drink hot sauce, given ice cold showers, abandoned on airplanes back to Russia all alone, or rehomed as each year we "celebrate" adoption month and encourage more.

The Dark Side of Adoption

The Applications of Adoption . Following the reality of the privileges and promises we have as children of God, there are several principles we must apply if we would grow in greater awareness of our adoption as God's children: We must regularly reflect on this stunning teaching of Scripture and all that it means for us personally.
