### SBC Fighters Series by Lori Foster - Goodreads

This is a good addition to the SBC Fighters series. We see a lot of Dean & Gregor. We're introduced to Michael (Mallet) & Harley (Hard to Handle). I liked Simon & Dakota. Dakota's not your usual LF heroine. She's damaged emotionally & physically. This requires her to act strong. In most LF books the men are strong alpha males.

This review was originally posted on (un)Conventional Bookviews Back in Black is filled with hot fighters, strong-willed women, romance and quite a bit of action. Back in Black was like time-travel for me, as I have read all Foster's Ultimate stories, and the SBC Fighters series include some characters that show up there as well.
