Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

I used this text through 2 courses of intermediate accounting. Obviously, accounting is a tricky topic and not all of the rules are intuitive, but I find that this book does a good job of explaining accounting, and even if a topic is still a bit cloudy after reading the chapter, the practice problems do a great job of clearing it up.
