Employee Engagement Book: Who the Hell Wants to Work for You?

When researching *Who the Hell Wants to Work for You?*, I read up on many celebrity CEOs. I realized that the better they got at managing people, the more they asked themselves these sorts of questions. The doubt comes with the job. And it never goes away. The more successful you are, the more you seek to understand the needs and motives of the ...

expressive human voice to the future of film.

Who the Hell Wants to Hear Actors Talk? - Quote Investigator

Book Review - Who the hell wants to work for you by Tim Eisenhauer The Author starts each section with a view. The individuals view, the Managers view and the executive view. This is one of the first times in a business book I have seen a clear statement that there are different perspectives in an organisation.

Book Review - Who the hell wants to work for you by Tim ...

As the weekend rolled on, and as the president*'s deranged performance at the Centers for Disease Control became an iconic moment in executive incompetence, I remembered reading something in The New York Times during the Obama Administration about a guy who went all over the world, and deep into the boondocks, to help various countries fight malaria. [...]
